NEWSLETTER OF THE NATIONAL AMERICAN SHORTHAIR CLUB

VOL. 1 NO. 4

ROSEMARY KENDRICK, EDITOR
1331 N. WINGRA
MADISON, WI. 53715

November 15, 1978

Dear Club Members,

This extra edition of the newsletter is being sent to let you know about two important developments in our club.

First, the proposed rules changes regarding eligibility for office:

- * The suggestion about regional residency designations was overwhelmingly defeated. While we received only two letters on the subject prior to the time the ballot was sent out to the present officers Nov. 1, these letters raised some good points in opposition to the rules changes that were taken to heart.
- * The proposal to increase the term of office for all officers and board members to two years passed.
- * The proposal requiring two years' membership prior to running for office (three for president) passed.

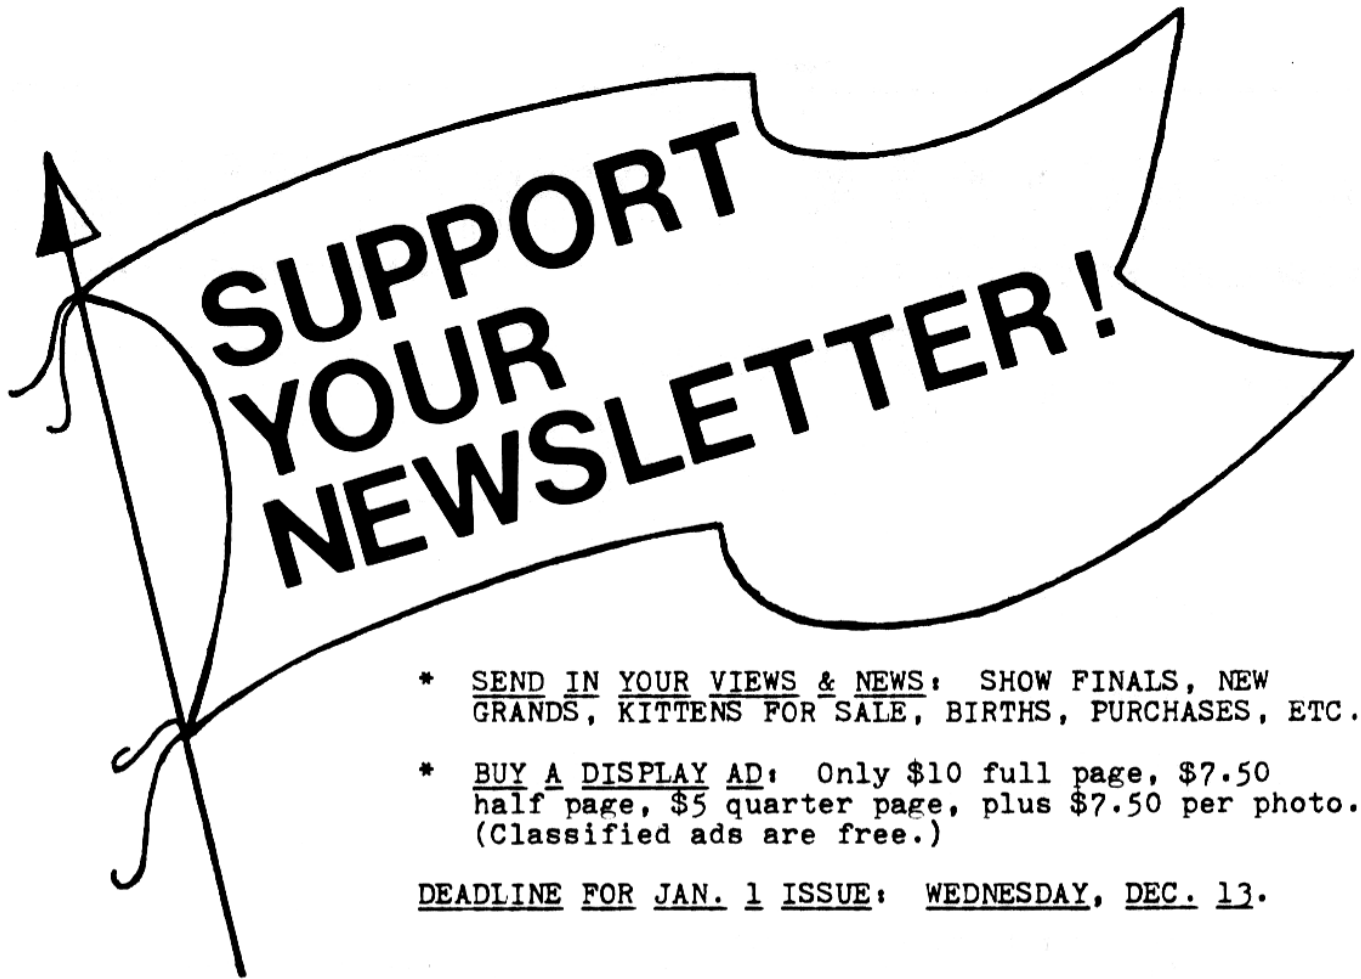

If you would like to be a candidate for an office in 1979, be sure to submit your name and desired position to me no later than Dec. 13, the deadline for the Jan. 1 newsletter. If you would like to send campaign material to the members, I will be happy to furnish you with a membership list (free of charge) including addresses.

Secondly, as requested by respondents to the recent questionnaire on head type, the Jan. 1 newsletter will be mailed to all CFA judges. It will include detailed results of the survey, plus any additional comments sent in by members. Let's all take advantage of this rare opportunity to really reach all of the judges with our views on the ASH.

Dan Simon is working very hard on finishing up our new brochure, and the word is it's going to be fantastic. You should be receiving your free copy in the near future. Additional copies will be available for 50 cents each.

Best regards,

Rosemary
